115	All policies and plans are approved by Head of Department	10.7

This document is an integral part of CSMOP (Central Secretariat Manual of Office Procedures). It shall facilitate the Indian Government Constituents to make their websites Usable, Citizen Centric and equally Accessible by all the sections of society, whether differently abled or having constraints of education or access, to technology.

This is the first version of the document. All efforts have been made to make it as comprehensive as possible. We would welcome feedback & suggestions from all of you. Your feedback is very valuable for us, It would indeed help us in enhancing/ enriching these guidelines further.

To facilitate you further on these guidelines we have set up a website at

<https://web.guidelines.gov.in>

This website shall not only provide access to complete text of this document but shall also facilitate implementation of these guidelines. Provision for online consultation on these guidelines is also envisaged on this website.

In case you develop some website conforming to above guidelines, please let us know. We shall be glad to acknowledge your effort on this website. It shall also become a good reference for others to follow.

At the end I would like to express my gratitude to ALL who have contributed towards the development, review & approval of these guidelines.

Looking forward to your kind cooperation & valuable support towards successful implementation of these guidelines across the entire web space of Indian Government.
