Part Time Medical Officer/AMA
CIRB, Hisar

Sub: Limit of number of days for prescription of medicines by AMA for patients at CIRB, Hisar.

With reference to your letter dated 10.2.2023 on the subject cited above, I am directed to say that the matter has been examined in this office as per CS (MA) Rules. As per the guidelines contained therein, if hospitalization is not considered necessary but the treatment is expected to be prolonged requiring many consultations and several injections spread over a period of more than 10 days, the patient should be referred to the out-patient department of a Government/ recognized hospital at the earliest. However, there are guidelines for treatment for special disease, a copy of which is attached herewith for necessary action at your end. It has been decided with the approval of Director, CIRB that the prescription of medicines in special diseases if otherwise prescribed under CS (MA) Rules, should not exceed one month at a time.
